Renew, refresh, refill her life with cosmetics

1960s avid moderne styling — glass bricks, mist green textured carpet, carport, sliding glass doors, rough sawn wood siding, beige paint, redwood hot tub, vertical wood paneling, can lights, aggregate patio, breakfast bar

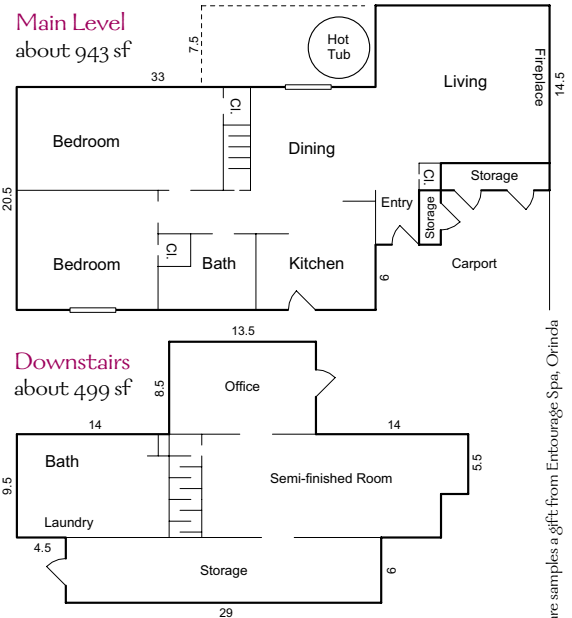

Interiors shown, from Home magazine '56, resemble 6024 Johnston when new & made up.

Make this Boomer a Hottie

Good maintenance with some updating in kitchen, main bath and systems: good roof, foundation, electrical, central heat & air conditioning – and very clean – but no earthquake retrofit.
